# General Information

**LOCATION**—The sale will be held at the North Iowa Fairgrounds, Mason City, Iowa, on Tuesday, May 22, 1956, starting at 1:00 p.m. The New Fairgrounds is located west of the city on Highway No. 18, and is served by main lines of the Rock Island and Milwaukee railroads running into Mason City.

**TERMS**—The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

**GUARANTEE**—All cattle are sold subject to a 60 day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the buyer's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, officers and directors of Iowa State Shorthorn Association nor the clerk of the sale assumes any liability, legal or otherwise.

**PEDIGREE CERTIFICATES**—A certificate of registry and transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignor or written from information supplied by the consignor.

**MAIL BIDS**—Mail or wire bids may be sent to: Allan C. Atlason, Secretary American Shorthorn Breeders' Assn., Chicago, Ill., Clem Larson, Callendar, Iowa, Albert L. Hamann, Rock Rapids, Iowa, or to the auctioneer, J. E. Halsey, Box 1317, Des Moines, Iowa. Late bids to the above may be addressed in care of Hotel Hanford, Mason City, Iowa, on sale day.

This is the SEVENTH ANNUAL NORTH IOWA SHORTORN SALE. Regardless of agricultural economic conditions demand for good Shorthorns has been strong. Therefore, as you will note the offering is not large, nevertheless, 18 loyal breeders have consigned a very select offering to insure the continuance of this annual event.

The Mason City Chamber of Commerce has agreed to help sponsor this event in co-operation with the consignors.

These annual sales have been very satisfactory to the consignors, and buyers have come to rely upon this sale to annually buy their herd bulls.

If you will study this catalog you will note that 22 good bulls will be offered of which 18 are ready for immediate heavy service. The 8 females will appeal to the buyers, also.

PLEASE NOTE THAT THIS YEAR'S SALE WILL BE HELD AT THE NEW NORTH IOWA FAIRGROUNDS, WEST OF MASON CITY ON HIGHWAY 18.

Remember this place and be sure to attend the sale.

ALBERT J. HAMANN, Sale Manager.

Shorthorn breeders, consignors and the sale management express their appreciation to the **Mason City Chamber of Commerce** for their help in sponsoring this sale.

SPECIAL'S RANSOM ROSE—A quality heifer that comes from good producing catt'e. She was first in class and reserve champion Shorthorn at the 1955 Ca'houn County Exposition at Rockwell City. Her dam is by the same sire as the champion Shorthorn steer at the 1955 Rockwell City show. She sells open because we assume the buyer would prefer to breed her to his own bull. However, she sells fully guaranteed to breed. Look up this heifer.
